OFFICE NOTE.

File No. 173-06

SUBJECT.

Prayer for the improvement of the Charitable Institutions at Conjeevaram, for the convenience of the travelling public.

From

The Private Secretary to H. H. the Maharaja

Memo No. 1183, dated 1st November 1906.

Annasami Ramanujengar of Conjeevaram memorialized H. H. the Maharaja, stating that he belonged to the Danayaka family, that he was old and his eye sight defective and that he desired that the Charitable Institutions at Conjeevaram should be conducted properly. His prayers are four-fold and they are as hereunder :-

(1) He states that only a sum of Rs 9/- per mensem has been fixed for the services to be conducted in the Sri Pattabhiramaswami

File No. of Muzrai Secretariat.

temple, an institution established by Nowl Krishna Doss at Paschimavahini and endowed with inam lands by His late Highness Sri Krishnaraja Wodiar Bahadur III, and he prays that orders may be passed sanctioning the grant to him from the Palace Motikhana of sufficient provision to feed a dozen brahmins daily, as intended by him,

(2) He states that there were a number of rooms in the prakara of the Sri Narasimha swami temple at Srirangapatam, for the accommodation of pilgrims resorting to the place, but that those rooms have all been pulled down He prays that with the stones thereby become available 16 rooms of 2 anikanams each may be newly constructed near the above mentioned Pattabhirama swami temple

(3) The petitioner states that the Memorial Chatram at Srirangapatam, being intended for the accommodation of the higher classes of people, much inconvenience is felt by the large number

GPB—1,000—11-6-04

Muzrai Secretariat. | File No. of 190

of pilgrims going to the Melkote festival and of those coming to Seringapatam for bathing in the Cauvery river He prays therefore that a new Chatram may be built opposite the memorial Chatram for the accommodation of ordinary travellers

+(4) He states that the late Dewan Sir Sheshadri Iyer had provided for the construction of mantaps in the plan for the Bathing Ghaut to be constructed in memory of His late Highness Sri Chamarajendra Wodeir Bahadur G C S I, but that Sir B N Krishna Murthi dispensed with those mantaps and directed that a sum of Rs 12,000/- out of the amount assigned for the construction of the Bathing Ghaut, should be utilised for the benefit of the Sri Narasimhaswamy temple thereby causing much inconvenience to the bathers in the river He [illegible]

GPB -3,000—22 6 06

File No. of 190 | Muzrai Secretariat.

that new mantaps may be built near the Ghaut.

In conclusion, the memorialist ~~prays~~ says that ~~this~~ late Highness Sri Chamarajendra Wodeyar Bahadur, G C S I, was averse to allow ~~the~~ Nattukottai Settiars to establish their charity in the Province, that he is informed that ~~the~~ His Highness too is of the same opinion, ~~and that if~~ and prays that if the above-mentioned charities are not viewed favorably by Govt., permission may be granted ~~him~~ to entrust the works to the Nattukottai Settiars ~~Memorialist~~ ~~one of the Memorialists too is another~~ ~~discontented~~

The Memorial has been forwarded to this Office under cover of the Private Secretary's No 1183, dated 18th November 1906, for disposal

The petitioner is the Parpattegar of the Sri Ganadhareeswarasvami temple,

a Muzrai institution at Seringapatam

Submitted

16/11/06

Muzrai Secretary's Remarks.

The petitioner is somewhat of a busy body who keeps writing petitions.

(1). The first point relating to the grant of provisions from the Palace cannot be entertained as the Pattabhiramaswami temple is an insignificant institution and no feeding of Brahmins there is necessary.

(2). As regards the second request, I beg to say that the large number of rooms referred to by him was all pulled down as they were all dark and insanitary. The need for additional rooms in the Pattabhiramaswami temple does not exist.

(3). The construction of a new Chatram at Seringapatam is a costly undertaking and cannot be taken up at present.

GPB--3,000--22-6 06

b

File No. of 190 | Muzrai Secretariat.

(4). The want of a Mantap at the new Bathing Ghat is no doubt a real defect, but it is not a matter for this Department to pass any orders on, as the work was carried out from Provincial Funds by the Public Works Department.

(5). I can say nothing about the petitioner's ability to bring the Vattukotte Setties.

An endorsement may be given to the petitioner in general terms that none of the requests made by him can be complied with.

183

Submitted to the II Councillor.

T. Ramakrishna Rao

9th January 1907.

Item No 4 may be brought to the notice of the P W Deptt.
I do not think that the Petn is worthy of serious consideration & accept, however. I have however no objection to an endorsement general

(Note Continued)

The Chief Engineer was addressed with regard to the petitioners prayer which relates to the Construction of a mantap at the memorial Bathing Ghat at Srirangapatam. He forwards a project amounting to Rs 9794 received from the Executive Engineer Mysore Dn for constructing the mantap in question and states that the orginal Estimate for Rs 71923 — Sanctioned in September 1900 for Constructing the Bathing Ghat &

No 2741 dt 18/4/08

and Chattram at Serangapatam provision was made for this work but it was ordered by the late Dewan Sir. P.N. Krishnamurti that the Mantapam should be abandoned and the money provided therefor utilized on the renovation of the Sri Narasimha-Swamy Temple, & the The Chief Engineer states that under these circumstances no more money can be made available for this work from the P.W. Budget.

(2) Mr. D. Sitaramarow, Superintending Engineer, Western circle in his Letter No 1742 d/ 6 April 1908 ~~states that~~ suggests that a line of Mantap not being used at Narasimhaswamy's deified Temple

Muzrai Secretariat.

File No. of 190

be removed and built up at the new Bathing Ghat.

M 24-4-08.) The P. W. Deptt has no funds for the construction of a mantab in the Bathing Ghat. The idea has therefore perhaps to be dropped. As regards the utilization of the line of mantaps of the Sri Lakshmi Narasimhaswami temple for constructing a mantab at the Bathing Ghat, there may be objections from the townspeople. When certain stones belonging to the temple were used up for the Bathing Ghat-works there were loud complaints & the Govt had to sanction the repairs of the temples at a heavy cost. Even if the removal & the construction of the mantaps as suggested, are done the funds will be required for the purpose.

Submitted

GPB—3,000—22-6 06

File No. of 190 | Muzrai Secretariat.

There is no doubt that one or two Mantaps at the new Bathing Ghat at Veerapatnam will be very useful to the public, but the Muzrai Deptt has no funds for undertaking such a work. The matter was simply brought to the notice of the P.W Deptt by this Office. The Chief Engineer may be informed accordingly

Report to accompany the Estim of the probable cost of of construction of a Mantapam at the Memorial Bathing Ghat at Seringapatam.

Reference

Superintending Engineer's -,- docket No.499 of 6-2-07, forwarding a copy of Muzarai Secretary's No. 3586 of 21-1-07, on the petition of Annaswami Ramanuja Iyengar of Seringapatam regarding the con--Struction of the Mantapam at the Memorial Bathing-Ghat, Seringapatam.

Report.

Provision was originally -,- made for the construction of the Mantapam on the Bathing-Ghat but during construction it was ordered to be omitted. The present design is the original design modified and adopted to suit the existing ~~Ixghxx~~ Ghat.

Vide Para 3 of Dewans orders, received with Superintending Engineer's docket No.2753 of 15-7-02.
/Id/ B.S.

The rates provided

the estimate are the usual prevailing rates.

The amount of estimate is Rs.9294. Rs.9337 as corrected in this office.
/Id/ B.S

Early sanction is requested.

/Sd/ J.W.Hay Ellis,
No.5 Sub Divisional Officer,
Mandya.

Executive Engineer's Remarks.

The enclosed plans and estimate have been got up in compliance with the requisition from the Muzarai Department noted above. There is no money available for this work out of the estimate already sanctioned for the Bathing-Ghat work. The The savings out of that Estimate were utilized for renovating the Sree Narasimha--swamy's temple at Seringapatam. So that if the enclosed estimate should received sanction, a separate sanction will have to be accorded. If funds have to be met from the Muzarai Department, the usual establishment charges will also have to be added to the estimate.

Vide letter No 3586 dated 7th Jan. 1907. Apparently the Mysore Secretariat think that the Municipal Funds are to come in regard to the "Bathing Ghat"
